US App. No. 10/824,266

REMARKS

All pending claims 1-14 are allowed.

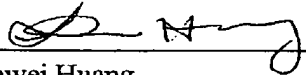

The drawings are objected to because Figs. 1 and 2 are labeled as "prior art" while the specification states that these figures correspond to an embodiment of the invention.

Examiner is thanked for pointing out the error. Figs. 1 and 2 have been mistakenly labeled as "prior art". Accordingly, Applicant amended Figs. 1 and 2 to cancel the label "prior art". No new matter is introduced through the amendment, entry of the amendment is requested.

In view of the foregoing amendments, it is respectfully submitted that the application is now in condition for allowance. Allowance of this application is earnestly solicited.

Respectively submitted
